

HISA Exec Statement on Ukraine

On behalf of the Executive Committee and students at the University of the Highlands and Islands, HISA expresses its heartfelt solidarity with the people of Ukraine, in light of the suffering caused by yesterday's invasion.

Democracy is an important value of our Students' Association and we stand in solidarity with any nation fighting for its own democracy.

We understand that some students may have family and friends who are currently in Ukraine, or neighbouring countries, and that this will be an extremely worrying time for them. We are currently in communication with the UHI in order to ensure that all our students are safe, supported and not in any danger.

If you are worried about the safety of a family member or friend, please make sure you access the support services available at your local campus.

Please follow the link below to access the general student support page on the UHI website, which includes the Green Button.

We hope for a swift and peaceful resolution to this conflict and for the cessation of violence.

- **HISA Executive Committee (2021-22)**
